About us

VISAVA is the trade and consumer brand of **VISAVA GROUP**, founded by Gaurav Keshri. Our head office is in Varanasi, Uttar Pradesh. Our **raisin factory** is at Tidagundi on the Solapur Road (NH13) in Vijayapura (Bijapur) district, Karnataka — in the grape belt that, together with Sangli and Tasgaon in Maharashtra, produces most of India's raisins. We buy raisins from the region, then sort, grade, clean and pack them for wholesalers, distributors, sweet makers, bakeries, retail brands and importers.
